Residential Real Property Transfer Disclosure Statement

Prepared in compliance with Alaska Statute (AS) 34.70.010 - 34.70.200

General information
AS 34.70.010 requires that before the Transferee/Buyer (hereafter referred to as Buyer) of an interest in residential real property makes a written offer, the Transferor/Seller (hereafter referred to as Seller) must deliver a completed written disclosure form. This disclosure statement is in compliance with AS 34.70.010. It concerns the residential real property* located in the CATO BUILDING Recording District, Judicial District, State of Alaska.
Legal Description: SAFARI LAKE SUDA: LOT 15 BIVCK 10
Property Address/City/Other: PRTRRIVILLE
* Residential real property means any single family dwelling, or two single family dwelling units under one roof, or any individual unit in a multi-unit structure or common interest ownership community whose primary purpose is to provide housing. AS 34.70.200(2) and (3).
AS 34.70.020 provides that if a disclosure statement or material amendment is delivered to the transferee after the transferee has made a written offer, the transferee may terminate the offer by delivering a written notice of termination to the transferor or the transferor's licensee within three days after the disclosure statement or amendment is delivered in person or within six days after the disclosure statement or amendment is delivered by deposit in the mail.

AS 34.70.040(b) provides that if an Item that must be completed in the disclosure statement is unknown or is unavailable to the Seller, and if the Seller or Seller's agent has made a reasonable effort to ascertain the information, the Seller may make an approximation based on the best information available to the Seller or Seller's agent. It must be reasonable, clearly labeled as an approximation, and not used to avoid the disclosure requirements of AS 34.70.010 - AS 34.70.200.

All disclosures made in this statement are required to be made in good faith (AS 34.70.060). The Seller is required to disclose defects or other conditions in the real property or the real property interest being transferred. To comply, disclosure need not include a search of the public records, nor does it require a professional inspection of the property.

If the information supplied in this disclosure statement becomes inaccurate as a result of an act or agreement after the disclosure statement is delivered to the Buyer, the Seller is required to deliver an amendment to the disclosure statement to the Buyer. An addendum/amendment form for that purpose may be attached to this disclosure statement. Upon delivery to a buyer, any inspection/reports generated by a purchase agreement of this property automatically becomes an addendum/amendment to the property disclosure.

Exemption for First Sale: Under AS 34.70.120, the first transfer of an interest in residential real property that has never been occupied is exempt from the requirement for the Seller to complete the Disclosure Statement.

Waiver by Agreement: Under AS 34.70.110, completion of this disclosure statement may be waived when transferring an interest in residential real property if the Seller and Buyer agree in writing. Signing this waiver does not affect other obligations for disclosure.

Violation or Failure to Comply: A person who negligently violates or fails to perform a duty required by AS 34.70.010 - AS 34.70,200 is liable to the Buyer for actual damages suffered by the Buyer as a result of the violation or failure. If the person willfully violates or fails to perform a duty required by AS 34.70.010 -AS 34.70.200, the Seller is liable to the Buyer for up to three times the actual damages. In addition to the damages, a court may also award the Buyer costs and attorney fees to the extent allowed under the rules of court.
